This is the work schedule for the season. We will cycle through these assignments until we get through Work #6 so everyone will have a chance to get certified by the main referee. After we go through Work #6, we will restart with Work #1. **You are responsible for your duties as indicated.** If for any reason you need to switch job with someone, it is your responsibility to switch back with that person if you desire. If not, you will have to work again when your name shows up at the next work schedule. **I will not keep tab of any switches. I will only look at this work schedule and expect those listed to report to duty.** If there is a switch back, you will need to bring that person to the work area and I will relieve you of your duty for that time. If there are absences at tournaments, then, I look for everyone to step up and fill in those vacant jobs.

## Rules and Regulations at Villa Victoria Academy

Only 2 spectators per player are allowed in the gym, only while their daughter is playing (not working). Everyone entering the facility must wear a mask at all times.

Bring your own chair to sit in and remove the chair with yourself as soon as the match ends.

There will be access to a cafeteria which is across from the gym for athletes and coaches to have as their staging area when not playing. But still advise not allowing them to sit super close :-)
