About the Powerzone facility:

- The camp-out area is in the upstairs area with tables. They usually pre-assign the table to each team. So, look for a sign with Impact 14s. This is a very small place where all the players keep their belonging and food. You will feel like everyone is on top on each other.
- Each court has a small bleacher where spectators can sit and watch the games. You can bring your own chair. But, you might not need to use it.
- There is a small concession area where they usually sell hot dogs, chips, and maybe a cup of soup. So, it's best to bring your own food and refreshment and drinks.
- Across the street from the Powerzone is Anthony's Italian Bakery and Deli (Excellent Sandwiches and Italian Deli breads, etc) AND Denville Dairy is downtown (maybe a mile from PZ) and has GREAT home-made Ice Cream (before or after wave!) Often voted best in NJ.
